Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

Further to Mr Stockton's letter in the April issue, I would like to add a few thoughts concerning waste reduction. I agree that waste should be reduced at source, i.e. packing should be kept to a minimum and we should therefore make a choice when purchasing. Try to buy from market traders when in Cambridge, Ely, St Ives etc. or loose produce from Tesco which can be put into the flimsy bags provided. If you buy from small traders, however, it is likely that the produce is local, or clearly marked anyway. Food-miles present as much of a problem as packaging, as aircraft use tons of fuel on a journey and so their use should be avoided whenever practical.

Re-use old packaging, e.g. some playgroups can use containers and cardboard; I grow seedlings, mustard and cress in suitable containers which have the bases ready pierced and the lids from the pots as saucers. sturdy flat-based plastic bottles can be taken to Welney bird reserve (Wildfowl and Wetlands Trust) for conversion to bird feeders, or you can easily make your own with a bit of wire mesh and a bottle.

If you must drink water from a bottle then just refill a sound bottle from the tap, it will taste the same. If you prefer carbonated water a soda siphon is a good substitute for home use.

Waste which does occur can be rammed into a drinks carton (these are lined and not good for the green bin). It is amazing how much wrapping a one-litre carton will accomodate. We put vacuum cleaner dust into a paper bag and put that in the green bin.

Furniture, cutlery, crockery, records can be given to a charity such as the Salvation Army or Emmaus and household electrical goods, in addition to furniture to SOFA. All three charities will collect when on their rounds. Servicable bicycles will be collected by the Salvation Army or you can ride them into Cambridge and return on the bus. I suggest that you avoid donating them to Emmaus as I believe that most of theirs

end up as scrap iron, whereas the Salvation Army has a ready market for them in Mill Road. Better still, use the bicycles for shopping, travel to Cambridge, Oakington or wherever; it is more fun than driving a car or waiting forever for a bus

Keith Morris.

Dear Residents

I am Mrs. Iqbal Warsi of Field View, Bar Hill, some of you know me as 'Poppy'. In March 2004 I was elected as one of the eight Patient Governors for Addenbrookes Hospital. As a Foundation Trust we all now have a say in the running of the hospital. I am representing the voice of the patients.

Please send me your comments on how we can improve patient care. Waiting time, treatment in hospital, dietary requirements, doctor/patient communications and car-parking have been some issues already raised.

I have been working in and around Addenbrookes since 1992 in Breast Cancer Screening Research and would like to discuss your comments at our first Governors meeting on 10th June. Please feel free to send in your views either by email using iqbal.warsi@addenbrookes.nhs.uk or by letter to the hospital marked for my attention, at the address below and I will do my best to get the matter discussed and improved if possible.

All the best Mrs. Iqbal Warsi

Wednesday 14th April. Did you have your purse stolen recently in Bar Hill? Around, on, or before this date. Did you know that if it was handed in to Tesco, they would, if my experience is typical, make no effort into trying to contact you. Recently I found a purse in Tesco and handed it in. There were no cards but there was something still in it you may like back. Together with a photograph of the owner and their Tesco Club card. The cash will be donated to charity. I was shocked to hear that they were going to make no effort. I have tried. It seems that it was not even reported to the police. It is a shame if you have lost it and you feel that no one

would hand it in. Yes there are still a few honest people in the world. I know that there have been a few incidents in Tesco where purses have been stolen. Tesco apparently have no intention of looking at their CCTV to find out who put it where they did?

FROM YOUR COUNTY COUNCILLOR Step Change in Services for Older People

Changes that will revolutionise the way social services and health care are provided to older people have been agreed by the Council. Work has begun to bring together health and social care services and support that are currently provided by different agencies around Cambridgeshire. This month, Social Services will transfer its £70 million annual budget for Older People's Services and 900 staff to Cambridgeshire's four NHS Primary Care Trusts in Cambridgeshire. The Trusts will become responsible for delivering all the health and social services for older people, including home care, day care, residential and nursing home care, community and specialist nursing, therapy services and respite care. The County Council will continue to have statutory accountability for these services, playing an active role in ensuring that older people have their needs met by the new integrated service. The new system is designed to streamline access to services with a single assessment of need and one team providing the necessary services. None of the Social Services staff involved in the switch will lose their jobs and the new services will initially be run from existing buildings.

Infrastructure Partnership Hits the Road

Cambridgeshire's Infrastructure Partnership, which will have a vital role to play in shaping the county over the next decade, has started work. The County Council is working closely with the five district councils, the East of England Development Agency, Greater Cambridge Partnership, the Housing Corporation and English Partnerships to create the Infrastructure Partnership. The Infrastructure Partnership has been designed to address the implementation of the Cambridgeshire Structure Plan

over the period to 2016. The Structure Plan sets out a vision for sustainable development in the Cambridge sub-region including the provision of 47,500 new homes and £2.2 billion of infrastructure - roads, schools, hospitals, leisure and community facilities etc - needed to support the development.

£2.2 Million Cash Boost for Drought Damaged Roads

More than £2 million pounds has been provided for the Council to repair drought damaged roads. The £2.2 million grant was awarded to the Council following talks with the Government. Cambridgeshire and Peterborough City Council were the only authorities in East Anglia to be given the grant. Roads around the County became cracked or sunk following last summer's record heatwave. Rural roads have been most affected by the record temperatures and long dry spell which dried out the clay underneath the roads and caused the earth to shrink. Parched trees growing alongside roads added to the problem by sucking out moisture from the soil.

Record Low for Casualties on Roads

The number of people killed or seriously injured on Cambridgeshire's roads is at an all time low according to the latest figures. Although traffic levels have grown by 30 per cent in the last 10 years the number of deaths and serious injuries has fallen by 31 per cent over the same time. In 2003 some 51 people died and 417 were seriously injured on Cambridgeshire's roads compared to 52 fatalities and 459 seriously injured in 2002 - a reduction of 8 per cent. This is a drop from 2000 figures which saw 71 people die on the roads and 491 seriously injured. Cambridgeshire County Council has been working very closely with partner agencies such as the Police, Fire Service, NHS, MAGPAS, the Highways Agency and the Courts in a concerted effort to reduce casualties. A range of methods have been used to reduce casualties such as driver education, major junction improvements and Safety Cameras. For example the number of people killed or seriously injured at Safety Camera sites has been reduced by 49 per cent since 2001.

Andrew Lansley CBE, MP writes:

Health is at the top of most people's agenda. In South Cambridgeshire, with both Addenbrooke's and Papworth Hospitals, it is a professional and personal priority. So it has been a real opportunity over the last few months to be Health spokesman for our Party nationally. Some of the key issues I have been pursuing have been ones I know reflect our interests in South Cambridgeshire. For example, Addenbrooke's and Papworth are applying to be Foundation Trusts. It is vital they get the chance to invest to meet the rising demand for their services. I very much support this and have argued for additional freedoms for hospitals and to cut the bureaucracy and controls which so inhibit NHS professionals from meeting the needs and choices of patients.

As the new chair of the All-Party Parliamentary Group on Stroke, I have also been investigating whether the NHS can achieve fast and effective treatment for some stroke patients, by immediate screening and use of clot-busting drugs. Addenbrooke's is a national pilot site for studying this issue and I look forward to supporting their expertise in the development of national NHS service development.

I know another issue which has worried many people has been funding for our local schools and the Council Tax. The situation for Cambridgeshire has been very difficult; the County Council last year maximised its spend on schools despite the 'ceiling' on grant, and the Government held back a further £11 million this year; I have written to the Minister of State for School Standards to express my deep disappointment that the ceilings have meant millions of £s being held back which could have made a major difference to our schools.

In setting Cambridgeshire's budget for this year, the Government said that Council Taxpayers should find an extra £4½ million for the budget. Our Conservatives on Cambridgeshire County Council have fought back and, at the end of the day, won £1¼ million extra from the Government, which Council Taxpayers would otherwise have had to find.

One other major concern for me is the question of planning. Once again, in recent weeks, John Prescott has been dictating that even more houses should be built in Cambridgeshire. No-one

could accuse us in South Cambridgeshire of taking a NIMBY attitude. We are going to have thousands of additional houses in south Cambridge, at Cambourne, at the Northstowe new town. We are going to lose much green belt land. But I have been adamant that we must protect the purposes of the green belt around Cambridge and, in particular, stop an urban sprawl out of Cambridge which destroys the environment of the villages around Cambridge. I will continue to fight to ensure that our need for economic development and houses, including affordable housing, is balanced with the need to protect our environmental quality of life.

I am always available for consultation, either in person or by phone, letter or e-mail. I can be reached at the address or telephone number below.

Litter Busting Day

Sat 3rd April at 9am

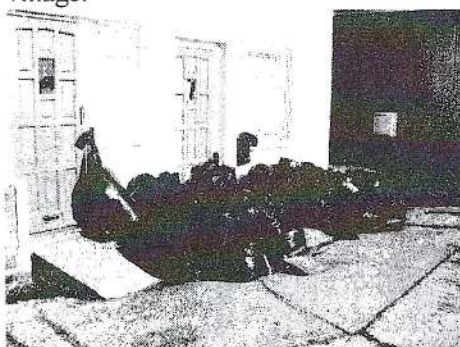

Thanks to all who came to give a hand (or two) on our recent Litter Busting Day.

Sun 4th April at 9am

This proved a great success with over 30 bags of rubbish collected around the village.

Hopefully we will be having another in the autumn and perhaps some of our younger residents would like to join in, community spirit and all that!

I must also say a big thank you to Domino who donated a cheque for £200, Eros Hairdressers who donated £10 and also Elliott's who gave us a couple of dozen gloves to help with the litter pick. The money received will go towards putting some extra litter bins around the village.

Bin Collection Dates

Apologies for the erroneous information published last month about the early May collection. I obtained the dates from the SCDC website.

Editor.

Note that the collections in Bank Holiday weeks are on Thursday.

Graffiti

There was an article in the Town Crier on 9th April about Cambridge City Council removing graffiti, free of charge, to private residents. I don't know if this is for the city only, but if you have graffiti on your property you may like to give them a call on 01223 458282.

Play Equipment

Over recent months there have been several incidents of malicious damage to the play equipment in the village. Repairs to the play equipment is paid out of everyone's council tax and with this in mind, if you see any acts of vandalism, please report this matter to me at the Parish Council Office.

Illegal Signs

It has been noticed that advertising signs are popping up all over the village, mainly on lampposts and along the perimeter road. Please may I ask the people concerned that although this is a cheap way to advertise events etc, it is illegal as lampposts are the property of the County Council and the perimeter road is in the ownership of the Parish Council. Please use the Bar Hill News for advertising, as this is what the newsletter is for.

Parish Council Meetings

The next Parish Council meeting will be held on Thursday 20th May 2004 at 7.00pm in the new Parish Council Office Meeting Room. The public is very welcome to attend meetings.

Little Acorns Pre-School

Little Acorns is a privately owned, non-profit making, pre-school.

We are situated in the meetings room (next door to the main church building). All of the staff are qualified Nursery Nurses.

We are open every day, morning and afternoon, during school term time. (9.15-11.45 am and 12.30- 3pm) There is a lunch club every day from 12 noon.

Monday, Wednesday and Friday afternoons are especially designed for children in the year before they start school and have a slightly different structure to our other sessions.

Children are welcome to attend from age two and a half.

Parents may choose to help at sessions during our "bring your Mum or Dad to Acorns" weeks, which are very popular.

We have recently received an excellent OFSTED report (the full version is available on request or can be accessed via the OFSTED web site). We were awarded "an aspect of outstanding practice in special needs" and overall the judgment, which we received, was very good.

We offer a "places for all policy", whereby we subsidise or give free places to families in need. Annually we ensure that at least three or four children are able to access good quality preschool education through this scheme. Please enquire about this.

For more information / a prospectus / a registration form / a copy of our OFSTED report or to arrange a visit, please telephone Sally on 201074.

The Royal British Legion Bar Hill Branch

The March meeting was held in the village hall on the 24/03/04 with 19 members present. The Chairman opened the meeting with the Exhortation.

The minutes of the last meeting was readout by the Secretary; also the usual memos and notices that she had received from H.Q. and County offices. The Chairman asked if there were any matters arising; the only item being the post of Welfare Secretary and, as nobody was prepared to take up the post, it was agreed that both Ann Duce and Ann Barnes would share the responsibility which was accepted by the Branch members.

The Treasurer Mike Duce gave his report saying that the branch was still in a very healthy financial position. His predecessor Neville Clark duly handed over the quill and books for the last time with the Chairman thanking him for all his hard work over the years.

The monthly quiz was set by Mike Duce and won by a short head by Malcolm Cox, with the monthly raffle won by yours truly.

The Group 4 British Legion meeting was held at Histon Branch on the 30th March which was, needless to say, well attended by your local branch. After all, we had to support one of our own villagers, Dennis Holt, who gave a talk on his career as a policeman in the Midlands which by all accounts was most entertaining. (Mark you, Dennis will talk to anybody for a pint).

Now the serious bit, as we are all aware that this year is the 60th Anniversary of some of the worst

fighting ever seen during World War II. Needless to say those of us who lost any relatives in those terrible times wish to pay our respects to all the young men and women gave lives so that we are still here to say thank you to all those brave people for what they did for us.

The government has, for a period of 12 months, granted permission for a 1 year Passport to be made available for those who do not possess their own, to apply to the local Passport Office (ours is at Peterborough). The local British Legion Branches regrettably cannot help in this matter, but however can help with a floral tribute if anybody wishes to take one with them on their journey to foreign fields as a Remembrance token. Please contact either Mike Duce or myself Terry Barnes.

Finally, in connection with Remembrance, today 13/04/04 we have broken the £5000 barrier in our 2003/4 Poppy Appeal. It stands at £5009. We do thank you all for being so generous, but it must be stressed that this is a provisional figure and is subject to confirmation from Poppy Appeal H.Q. which is due out in May,

The date and time of our next meeting will be Thursday 22/04/04 19:30hrs at the Village Hall. We are always looking for new members so why not come along and see.

There are still a few seats available for our 5-day break in Kent with eclipse coaches. Cost is £155 per person. contact the writer.

Bar Hill Parent and Toddler Group (formerly Tots and Teds)

Bar Hill Parent and Toddler Group is a welcoming and friendly group set up to provide play and socialising for children 0-4 years. A committee of local volunteer parents runs the group. We meet at the Church rooms in the Octagon every Wednesday and Friday morning 9.45 – 11.15.

Each session is run by a supervisor and provides a range of activities, which include crafts; puzzles; imaginary play and a selection of outdoor toys (weather permitting). We provide refreshments

and an opportunity to meet new people. Every half term we hold a messy play session (Wednesdays) which includes glue; paint and other kinds of mucky stuff (old clothes are highly recommended). We ask for a small fee of £1.80 per child per session and £1.00 per sibling.

We have recently just held our AGM and welcome some new faces to our committee. We would like to say Thank you and Goodbye to Sarah our old Chair and Hello to our 2 new chairs Lorraine Dougan and Emma Pell. Also we are

reverting back to our original name of Bar Hill Parent and Toddler Group.

This year we have many plans, which include playdays in the school holidays and evening events for parents to enjoy. These will be publicised nearer the times.

If you would like any further information please call into one of our sessions, Kirsten runs Wednesdays and Jo runs Fridays, they will be happy to speak to you, or call Lucy Tel: 01954 781341.

TIPS FROM HISTON

Remember not to keep your car keys on view or in obvious places in your home. Otherwise, if you are in the unfortunate position to be burgled, intruders may take the opportunity to steal your car as well.

The safest place for a vehicle is in the garage but many of us use our garages as general storage areas – leaving no room for the car! Now could be a good time to clear that space.

ALSO

This is the time of year when gardening starts in earnest. If you are considering buying a shed there are now many 'police approved' models on the market. If you already have a shed in your garden do make sure that it is as burglar proof as possible. Fit two closed shackle padlocks on strong padlock hasps, one third of the way down from the top and up from the bottom of the door. Secure outside door hinges with coach bolts or non-return screws. Replace broken panes of glass with laminated glass and screw permanently shut any windows that you don't open. It is also a good idea to fit mesh or bars on the insides of window frames. And, of course, always lock your shed when it is not in use – even when you are at home. It is also advised that you etch your tools with your postcode followed by your house number. Also check your insurance policy, you may find that it does not cover everything you store in your shed or garage. It is also worth bearing in mind that, if you are unfortunate enough to have someone break into your shed; tools removed could easily be used for breaking into your home!

Please do take care.

News from the Primary School

On 31st March 2004, BAR HILL PRIMARY SCHOOL celebrated considerable success in the Cambs Primary Schools X-Country Relay Championships 2004. The two girls teams representing the school competed to win 4th overall and 21st overall in a field of 68 other teams. The girls A team consisted of Denise Smekal, Rebecca Hewins, Gemma Clare and Sophie Hart with Rebecca picking up the 6th fastest time! Three boys teams from the school competed along with 72 other teams and our Boys A team came 1st picking up a trophy and medals - the four boys in the team were Dominic Gedny, Ben Dugan, Joshua Lightowler and Jeremy Eden. Joshua had the 2nd fastest time in the competition. Our Boys B team came 10th overall and were 1st among the Boys B teams competing and our Boys C team came 22nd and were 1st among the Boys C teams competing. Around 36 children regularly trained twice a week for this event and showed commitment and enthusiasm. Thank you to Linda Cowan and Phil Lightowler who regularly helped me with training and picking the teams. The Athletics Championship awaits us in July!

Year 2 sampled school life in Victorian times during a recent visit to Stibbington School. Here are some samples of their reports.

Stibbington board School
Yesterday our class went to stibbington.

The lady who took us was called Judy. We had a Victorian Lesson. In the Victorian Lesson we got to write on slat boards with a slat pencil. Judy took us to look at the grave stones. It was fun. The girls had a pink ticket round their neck and the boys had a blue one. The adults had a green one.

I was called Constance. I didn't like that name. We had questions to answer about Victorian things.

In the Victorian Lesson we used ink dispens we use as desks we had a hand writing sheet with the pens. It was fun. then we went home.

At Stibbington School

When we got to Stibbington we took our coats off. Next we got in the classroom. We met a lady. They were called Judy and Carlene. After they had told us the names they said Judy would work with Mrs Remmels and Carlene would work with Mrs Lacy's. Judy took us for a long walk till finally we got to a big big house. It was called Stone Vell cottage. It was divided into three. While we were looking in the garden Judy told us to go in a circle. I didn't know what we were doing. She said "Do you see that garden over there, that's where the father of that house lived. I know

How do Beans and Barley grow. When she had taught us the song, Judy said we should play a quick game. I think it was called scare the crows, she gave us a number 1, 2, 3, and she kept going one two three till she got right to the end. Then she showed us these noisy crow slappers, they scare the crows away when you shake it because it makes a loud noise. I had to do the shaking 2 had to be a crow 3 had to make the noises, then we swapped till we got back to the begining. Then we went all the way back home again, to play with Victorian toys. I played with a horse.

Happy Hours

The recycled youth club

With the start of the summer months, warm sunshine and light nights, I was about to begin this column with good news. Sadly I cannot. Why? On a quiet Thursday afternoon, one of our members was doing her shopping when some horrible thief stole her handbag from her trolley. Not only did she lose her cash, but also a good quality hand bag and purse, bank and credit cards, a new pair of specacles which had cost her £90-00 only two days previously, and personal papers. The loss and distress caused to a kindly lady in her late seventies, is hard to imagine. Ladies beware, there may be a thief after your hand-bag.

Talk. On Monday 5th April, we had a visit and an interesting talk from the Regional Information Officer for Age Concern. She spoke of the various types of help that are available to senior citizens. How to apply for Attendance Allowance, of Holiday Insurance, how Trading Standards will help in preventing unwanted letters and phone calls, Courses being held by the University of Third Age, and Crime Prevention advice. Help and advice can be obtained from their offices in St. Matthews Street, Cambridge, Tel. No. 01223 361766, or from the Age Concern 'Pop-in Cafe' which is in the nearby Parsons Court.

Raffle. Our Raffle held on Monday 29th March, raised the sum of £53-00 which is being donated to the village Youth Club, that meet at the Farm House. I understand that this may help towards their camping holiday to Hunstanton in August. This is a well run Club with a good membership, and well worthy of our support. Many thanks to our members for their support.

Outings. The April outing took place on Wednesday 14th., when a party of 36 travelled to Bury St. Edmunds. The weather was good with warm sunshine, so we were able to look around the many market stalls, or visit the larger stores. Then followed a good lunch in one of the many pubs, and a walk around the Abbey Gardens or a visit to the Cathedral. Most had full shopping bags when we returned home at about 5.00pm.

Sickness. Elva Turner recently had a nasty fall whilst taking a friends dogs for a walk. Although detained in hospital for some time, she is now recovering at home.

Holiday. Our first holiday will be to Scarborough, with tours around the North Yorkshire Countryside, during the first week in May. Let us hope we have plenty of warm sunshine, to make this a happy week.

No Club on Bank Holiday. There will be no Club Meetings on Monday 3rd. May, and on Monday 31st. May, both dates being Bank Holidays.

Poor Old Toad

*There he lay, that poor old toad
He had to cross that busy road,
Like toads have done for many a year
to reach that pond just over there.
Come spring they have to up and go
To find the water there below,
so they can lay their eggs, and see
Their little tadpoles swimming free.*

*Their best pace isn't very fast,
Though they've done alright in the past
But nowadays, with all this speed,
They haven't got the skill they need
To dodge the cars like they ought -
Why, even hopping toads get caught
And lay there flattened, like them others.
This old toad, his sisters and brothers
And all them creatures what have need
To cross the road so they can breed.*

*I'm sorry they get all this worry
'cos we're in such a flaming hurry.*

Thankfully, loads of toads and frogs made it to the nature reserve to breed, but my heart goes out to the hedgehogs - they spend all winter asleep, and when it's time to come out again into the world, 'whack!' - the car wheel sends it to sleep - forever. What a shame.

A plea: If anybody in the village has a bird-strike on their windows, could you please let me know, as I'm doing a survey into it. Thanks.

Anything interesting: please let me know. Ta.

Girlguiding

Bar Hill District

Would you like to Volunteer and be part of the fun? Did you use to be a Rainbow, Brownie, Guide or a Ranger, and ever thought about joining in again? Or would you like to join us for the first time? If you do you will be finding out that Girlguiding UK offers opportunities you never knew were there.

Surprise Yourself.

We want you to Volunteer. Broaden your horizons. Have fun and learn new skills. Use your talents to help girls and young women. Give a little time to make a big difference.

Trefoil Guild

Were you ever a guide, and ever thought about going back into guiding? Bar Hill District would still like to here from you. We are hoping to get a trefoil guild group up and running in Bar Hill. During the winter months meetings could be arranged during the day time.

If you are interested or would like to know more please phone Wendy Arrowsmith on 781381

The Brownies and Scouts went to see the Scout and Guide Gang show at the Cambridge Arts theatre during half term. Also we have been celebrating Thinking Day. A day where we think of other Guiding members around the world. Also to remember our founders of both the guide and scout organisations. This year we had a service with the Scouting movement in Bar Hill to celebrate both Founders and Thinking Day. After the service the Rainbows, Brownies and Guides all got together to have an activity and craft afternoon to do different things from countries around the world. Some Brownies and one Scout also had a chance to attended the Thinking Day and Founders day Service at Westminster Abbey. Afterwards we walked along the river to visit the HMS Belfast and to have their packed lunch in one of their posh rooms on the ship. Later on in the year they are hoping to have a kip on the ship.

1st Bar Hill Brownies had their pack holiday in January and **2nd Bar Hill Brownies** have just had theirs in March. Where all the girls and leaders again had a wonderful time.

Help is needed. *Do you enjoy working with children? Could you give 1 ½ hours each week?* At present we have two Rainbow units (Monday and Wednesday) two Brownie Units (Tuesday and Thursday) and one Guide and Senior Section (Monday). We are always in need of adult help. If you would like to just be a unit helper without too much commitment we would like to here from you.

At present we have spaces in most sections if you or your daughter are interested please phone on of the contacts to find out more. Having fun and meeting new friends are an important part of growing up, and there's no better place to begin than **Rainbows**. Girls get involved in all kinds of activities – from singing, games, and dancing, as well as the chance to get busy with a mixing bowl! Which starts at five.

At seven or after that's when Brownies begin.

There are masses of thing to do at Brownies – all of it fun, challenging and rewarding. It's just what you need to bring out your spirit of adventure Being a Brownie is just the best thing for a girl, and here's your chance to join in the fun – indoors and out! You get to meet new friends, play all kinds of games and do stuff you wouldn't normally do at home or in school. Best of all, it's only for girls.

At ten, because then it's time to Go For it in Guides.

It doesn't matter where you're from or what kind of interests you have there's room for everyone.

Guides get up to everything and more! From organising fashion shows and football matches to doing our bit for the environment, it's all there for the taking. There are special events like sleepovers and camping trips, as well as your chance to get stuck into Go For Its. So, even if you think you know what Guides is all about – we're sure you'll be surprised!

Leaders. Here's a great opportunity, a chance to make a valuable contribution to the lives of girls and

young women. Becoming a leader doesn't require lots of qualifications. In fact, we'll provide all the training you need. Ultimately, it's a great chance to bring out the best in everyone, and that includes you!

All our leaders are trained volunteers who are dedicated to making sure everyone is safe and having a great time. Parents can help out in lots of ways too,

and contribute to the same goal – a fantastic start in guiding for young girls everywhere.

Cricket Club

So after all the hard work in the nets and preparing the pitch, the new season is finally upon us.

By the time you read this, we will be off and running in our Cambridgeshire Cricket Association league season in Division 2 North B. We also have a full programme of Sunday friendlies - our fixtures for this month are printed below and spectators are always welcome!

The highlight promises to be the "friendly" game with the Social Club on Sunday May 23, always an eagerly anticipated and keenly contested match. It starts at 2pm, as do all our senior fixtures.

We will also have junior teams in action. At the time of writing, we know we will be running an under-15 team and are also confident we will have an under-14 side.

For a full run-down on our fixtures and other information on the club, visit our website at www.barhillcricket.org.uk. If you are interested in joining the club, you can leave a message there and we'll get back to you. Alternatively, call the secretary, Paul Stimpson, on 782475.

Whichever team you play for, you will be welcome at our club nights on the village green, from 6pm to 8pm every Tuesday. Don't worry if you can't make the start - pop along and join in at any time. This is a chance to get all age groups together to practise in a fun way, under the guidance of our club captain and fully-qualified coach, Dave Fletcher.

It also enables us to work on the pitch and to build our team spirit. The early sessions have been a great success - but the more people who come along, the better.

We will be holding a fundraising quiz night at the sports and social club at 7.30pm on Saturday May 8 with a new improved format and great prizes. Come and test your knowledge and help us boost our coffers! If anyone would like to donate a raffle prize for the event, please contact the secretary. We also need volunteers to man our stall at the village fete in June.

I must thank local business Domino for their generous donation to club funds, which is much appreciated. Elliotts in Viking Way were also most generous in providing some top-quality raffle prizes for our quiz night. If anyone would like to sponsor the club in any way, again, please call the secretary.

May fixtures:

Sat 1	Granta IV (H, league)
Sun 2	Girton II (A, friendly)
Sat 8	Coton (H, league)
Sun 9	Camden (A, friendly)
Sat 15	Waterbeach (A, league)
Sun 16	Globe (A, friendly)
Sun 23	Social Club (H, "friendly")
Sun 30	Granta IV (H, cup)

We look forward to seeing you at the village green.

Paul Stimpson

BAR HILL COLTS F.C.

As we approach the end of the season, many of the teams will be looking forward to their own 'End of Season parties', and it's time for our annual Presentation Evening. We would like to congratulate all our teams on what seems to have been a pretty successful year of soccer. There may be one or two games left in early May, so do try and pop down and cheer the lads on to victory.

COMMITTEE CHANGES

It is with much sadness that **Sally Gedney** has had to step down as Secretary of Bar Hill Colts F.C. Sally has course work which is taking much of her time. Sally has been a shining star, and she has been one of the main reasons for our club's success over the last couple of years. We will all miss Sally very much as she keeps us all on the straight path, and never gives us a moment's rest. All of us at Bar Hill Colts would like to wish you all the best for your course work, and look forward to your return very soon. Of course, as every cloud has a silver lining, and we would like to welcome **Paul Neal**, who will be taking over Sally's role for the foreseeable future. Paul has been actively involved with the Colts for some time, (looking after the Under 16's), and we know that he will bring his own special skills in moving us all forward to even greater heights. We would also like to say a sad farewell to **Cathy Free** who is stepping down on the Entertainments front. Cathy worked hard whilst she was with our club, and like Sally she will be sorely missed. Welcome to **Michelle Davies** who is taking over for Cathy.

REFEREES

Once again we would like to reserve our very,

very special thanks, to all those who have refereed matches for any of our teams this season.

We know that you are not always everyone's favourite people, but without you the

'Game Can't Go On'. Special thanks to **Brian Howard, Peter Howard, and David McBlane** for their generous support to the young players of the village.

SPECIAL THANKS

Finally we would like to say a big thanks to all the Parents, of the boys and girls, who kindly give up their own time to help with putting up goals, travel to games, raffles, drinks, washing kit, (*the list is endless*), etc.

And last but not least, well done to all the boys and girls who have represented Bar Hill this Season. I can confirm that we are proud of all of you, and the way you play the game **Well Done!!**

Please note: The views expressed in this column are not necessarily the views of Bar Hill Colts F.C.

Bar Hill F.C.

Football is a funny old game !

On Sunday 28th March the 1st team travelled to Cambridge City to play in the final of the Sunday Challenge Cup against Heath Sports who are the leaders of the Premier Division. Over 250 fans came along to support our lads and they cheered them through the whole game. Each of the 16 players had a mascot from Bar Hill Colts which was a pleasure to see. The game started off very well with Bar Hill playing the better football, making the opposition look second best. It remained 0-0 after 40 minutes until we conceded a penalty, this was taken very well but Mighty Joe pulled off an excellent save. The second half continued well until Heath scored, time seemed to be running out then up popped Avesy scoring a 25 yard goal, 10 minutes later Dominic Carminatri dazzled down the right, crossed and Chris Eales buried it. 2-1 up and 8 minutes to go surely Bar Hill had it wrapped up. Unfortunately Heath squeezed a sloppy equalizer, with extra time looming Heath gained a corner and whipped the ball in only for the ball

to be put in by one of the Bar Hill players 3-2 Heath sports - game over.

The lads did us proud but it was not to be. I am sure that it will be a day that all who attended will remember for a long time.

Onto the M & E Freeman Cup Final. Bar Hill lost 3-0 to FC Sterling a game which the least said the better!

Onto the good news - Easter Sunday - Bar Hill crowned champions of Division 1A 13 games + 13 wins !!! Well done back to the top where we belong.

Reserves in 4A still remain second and have had a brilliant season. If the remaining results go in our favour they should gain promotion.

A tremendous season for the whole club. Again we would like to extend our thanks to all of those that have supported us throughout the season, it really does make a huge difference to all involved.

See you at the player of the year do.

Table Tennis Club

The Junior group continues to run from 7:00 till 8:00pm, and then the intermediates, and adults, take over from 8:00pm to 9:30pm. We are a friendly club, just playing for fun, and I have to say we have been very, very successful, and now have waiting lists for all our age groups, so if you would like to play, or would like more information, please feel free to contact any of us, and we will happily add you to our waiting list, so that as soon as a place becomes available, you can come along and join in the fun. More from across the net in the next issue of the BHN.

We also have a treat for the grown ups, Ren and Ella are qualified holistic therapists and have volunteered to help out with indian head massages and will unravel all the mystery surrounding Aromatherapy. Please do come and support us.

We have our own website which has lots of information about the team and our match results, www.barhillbulldogs.org.uk. We have on-line competitions and amusing photographs! If anyone is interested in supporting the team by advertising on our 04/05 season website, please contact us through our website.

The under 9's will be splitting into 2 teams next season, if you are currently

Bar Hill Church Knit and Natter

We are a friendly and welcoming group of ladies who meet on Thursday afternoons at 1.30 - 3.30pm in the Octagon. We do what our name suggests, we knit and natter over tea, coffee and cakes. You are welcome to come along even if you don't knit! We also arrange regular outings to various places, have lunches, and hold regular coffee mornings every month. We are also looking for donations of double knitting wool so that we can continue making blankets which we give to various organisations that need them and bric-a-brac for our stalls. If you would like more information about us then please either call in on Thursdays or contact Sue Kenchington 780260.

We continue to hold Coffee Mornings on the 3rd Saturday of each month. The next Coffee Morning will be on Saturday 15th May from 10.00 a.m. in the Octagon. You will be very welcome to join us for coffee and cakes and to browse through our stalls - take home some home made cakes or find yourself a bargain on the Bric-a-brac table. Last month's was well attended, thank you if you supported us.

On 26th June, we will have a stall at the Fete. We would be grateful for your support either by a donation to the stall or come along to see us there.

Sue Kenchington.
